June, 2010

Roll out those lazy, hazy, crazy days of summer,  
Those days of soda and pretzels and beer.  
Roll out those lazy, hazy, crazy days of summer,  
Dust off the sun and moon and sing a song of cheer.

Count on NATIONAL PARK VILLAGE for one-stop shopping at its best.

## THE COUNTRY MARKET

"Imagine an angel suddenly sweeping down out of a better land and setting before him a mighty porter-house steak an inch and a half thick, hot and sputtering from the griddle; dusted with fragrant pepper; enriched with little melting bits of butter of the most unimpeachable freshness and genuineness" Mark Twain

Over the top? Yes, but there's nothing better to mark the start of summer than something from the grill.

Let Dad show off his backyard culinary skills in honor of Beef Steak Month with a custom cut from our meat department. Choose from USDA Choice Sirloin, Ribeye, Filet and Chuck Steaks or give Tracy a call at 586-2702 for your special order.

Not in the mood for beef? We have lots more great selections for the grill. Try pork chops, baby back ribs, chicken, fresh bratwurst, smoked sausage, hot dogs and if you don't see what you want, just ask. We'll try to get it for you.

June is Turkey Lovers Month, so let us make a sandwich for you with one of the great selections from [Boar's Head Provisions](#). Will it be Cracked Pepper Mill Smoked Turkey, Sausalito Style Turkey Breast, Pastrami Seasoned Turkey, Mesquite Smoked or Oven Gold Turkey? Whatever you choose from this family-owned company, you can be sure of the highest quality deli meats and cheeses with no by-products, no cereals or fillers, and no artificial flavors or colors.

Just in time for summer comes Frozen Yogurt Month. Full of rich, creamy flavor with less fat & fewer calories than ice cream, it's a great way to satisfy that craving and get your calcium & Vitamin D without guilt. When you're on the run, try single serve frozen yogurt parfaits from [Kemps](#) in white chocolate raspberry, mango peach, vanilla w/granola, wild blueberry or strawberry 'n' cream.

Yogurt, in all its forms, is now a 3 billion dollar a year industry in the US and a rising favorite is the thick, natural Greek yogurt from [Fage](#). (Go to their website for a coupon.) You'll find it at THE COUNTRY MARKET along

What do you do when you really crave a burger from the grill, but still want to eat healthy? Try these SPICY TURKEY BURGERS to celebrate Turkey Lover's Month!

1 lb ground turkey  
1-1/2 T horseradish  
1-1/2 t Dijon-style mustard  
1-1/2 t paprika

In a large bowl combine turkey, horseradish, mustard, paprika, pepper and salt to taste. Shape meat mixture into 4 patties, each 1/2" thick. Grill burgers 3 to 4 minutes per side or until no longer pink in the center. Serve burgers on toasted buns with your choice of condiments.

Prepare for Peanut Butter Cookie Day on June 12th.

Check out the selection of freshly baked goodies from Estes Park's own Aisle 2 bakery with Peanut Butter as well as Molasses, Chocolate Chip,

with Brown Cow, Dannon, Yoplait, Activia, Cascade Fresh and Colorado made Mountain High.

Do you think a day without cheese is...well, unthinkable? We have lots of ways in both the dairy & deli cases for you to indulge your passion with favorites from Boar's Head, Colorado's [Willow River](#) or [Organic Valley](#) and experience some exciting new selections like Fontina, Butterkase, Gruyere, Gouda, Manchego and Goat Cheese.

Of course, milk is at the heart of Dairy Month and you'll always find a wide selection of the freshest products from Sinton's & Organic Valley here at THE COUNTRY MARKET.

It's only natural that June is Fresh Fruit & Vegetable Month - everything is coming into season from fresh peaches, apricots, blueberries and raspberries to sweet corn and asparagus. Be sure to check out our organic produce selections, too!

Whatever your grocery needs, remember THE COUNTRY MARKET â€™s full service grocery with the largest natural/organic selection in town. And itâ€™s convenient!

## THE VILLAGE STORE

"For my own part I wish the Eagle had not been chosen the representative of our country...the Turkey is in comparison a much more respectable bird, and withal a true original native of America." Benjamin Franklin

Ben lost that round, so you will find far more wonderful wildlife statues from [Mill Creek Studios](#) depicting eagles (and many other animals) than you will turkeys.

American Eagle Day (June 20th) just happens to be the same day as Father's Day, so take that as a sign that anything from Mill Creek will make a great gift for Dad!

Whatever Dad's interests, you can find the perfect gift at THE VILLAGE STORE - knives & money clips, stylish yet comfortable clothing from Woolrich & Royal Robbins, decorative items for his den or office and more. If you can't make up your mind, bring him by after Father's Day Brunch at THE OTHER SIDE and let him choose for himself.

It's not all about Dad this month. Summer officially begins June 21st at 5:28am MDT. Is your wardrobe ready, ladies? We still have cool, comfortable clothing in the season's hot colors arriving often from all your favorite labels - Tribal, Produce Company, Pendleton and more. There are terrific accessories too, from traditional Minnetonka moccasins to trendy jewelry from Colorado and all around the world.

Even though summer is just beginning, it's not too soon to start thinking about the holidays. Halfway to Christmas day is June 25th! You'll find a variety of Rocky Mountain National Park and Estes Park ornaments and decor to bring your friends & family special memories at Christmas for years to come.

If you're one of those ridiculously efficient people who do their Christmas shopping all year long, you'll find something for everyone at THE VILLAGE STORE. Choose from lodge gifts and decor, great new jewelry looks, collectible art, candles, lotions and more!

Need a new outfit for your cousin's rehearsal dinner? A t-shirt for the kid who's mowing your lawn while you're here? A game to keep the kids occupied on the ride home? Some terrific new earrings just because you deserve an indulgence? Thereâ€™s no need to run all over town; whatever youâ€™re looking for is at THE VILLAGE STORE.

White Chocolate Macadamia Nut, Oatmeal Raisin and more.

People born under the sign of Cancer, the Crab (June 22 - July 23) are emotional and loving, intuitive and imaginative, shrewd and cautious, protective and sympathetic or just plain...crabby.

Decide which traits are evident in these quotes from a few famous Cancers.

"To be positive is to be mistaken at the top of one's voice." Ambrose Bierce 6/24/1842

"People can foresee the future only when it coincides with their own wishes, and the most grossly obvious facts can be ignored when they are unwelcome." George Orwell 6/25/1903

"It was morning; through the high window I saw the pure, bright blue of the sky as it hovered cheerfully over the long roofs of the neighboring houses. It too seemed full of joy, as if it had special plans, and had put on its finest clothes for the occasion." Hermann Hesse 7/2/1877

"I love living. I have some problems with my life, but living is the best thing they've come up with so far." Neil Simon 7/4/1927

"An early-morning walk is a blessing for the whole day." and "What's the use of a fine house if you haven't got a
